International application No.  
PCT/AU2012/XXXXXX  
International filing date

Applicant  
ABC FACTORY PTY LTD et al.

1. X The applicant is hereby notified that the international search report and the written opinion of the International Searching Authority have been established and are transmitted herewith.

   **Filing of amendments and statement under Article 19:**  
   The applicant is entitled, if he so wishes, to amend the claims of the international application (see Rule 46):  
   **When?** The time limit for filing such amendments is normally two months from the date of transmittal of the international search report.  
   **How?** Directly to the International Bureau preferably through ePCT, or on paper to:  
   The International Bureau of WIPO, 34, chemin des Colombettes, 1211 Geneva 20, Switzerland  
   (Facsimile No.: +41 22 338 82 70)

2.  

   The applicant is hereby notified that no international search report will be established and that the declaration under Article 17(2)(a) to that effect and the written opinion of the International Searching Authority are transmitted herewith.

3.  

   With regard to any protest against payment of (an) additional fee(s) under Rule 40.2, the applicant is notified that:  
   - the protest together with the decision thereon has been transmitted to the International Bureau together with the applicant's request to forward the texts of both the protest and the decision thereon to the designated Offices.  
   - no decision has been made yet on the protest; the applicant will be notified as soon as a decision is made.

4.  

   **Reminders**  
   The applicant may submit comments on an informal basis on the written opinion of the International Searching Authority to the International Bureau. These comments will be made available to the public after international publication. The International Bureau will send a copy of such comments to all designated Offices unless an international preliminary examination report has been or is to be established.  
   Shortly after the expiration of 18 months from the priority date, the international application will be published by the International Bureau. If the applicant wishes to avoid or postpone publication, a notice of withdrawal of the international application, or of the priority claim, must reach the International Bureau before the completion of the technical preparations for international publication (Rules 90bis.1 and 90bis.3).

   Within 19 months from the priority date, but only in respect of some designated Offices, a demand for international preliminary examination must be filed if the applicant wishes to postpone the entry into the national phase until 30 months from the priority date (in some Offices even later); otherwise, the applicant must, within 20 months from the priority date, perform the prescribed acts for entry into the national phase before those designated Offices. In respect of other designated Offices, the time limit of 30 months (or later) will apply even if no demand is filed within 19 months. For details about the applicable time limits, Office by Office, see www.wipo.int/pct/en/texts/time_limits.html and the PCT Applicant's Guide, National Chapters.

   Within 22 months from the priority date, the applicant may request that a supplementary international search be carried out by a different International Searching Authority that offers this service (Rule 45bis.1). The procedure for requesting supplementary international search is described in the PCT Applicant’s Guide, International Phase, paragraphs 8.006-8.032.

This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau.

This international search report consists of a total of 6 sheets.

- It is also accompanied by a copy of each prior art document cited in this report.

## 1. Basis of the report

a. With regard to the **language**, the international search was carried out on the basis of:

   - [X] The international application in the language in which it was filed.
   - [ ] A translation of the international application into , which is the language of a translation furnished for the purposes of international search (Rules 12.3(a) and 23.1(b)).

b. [ ] This international search report has been established taking into account the **rectification of an obvious mistake** authorized by or notified to this Authority under Rule 91 (Rule 43.6bis(a)).

c. [ ] With regard to any **nucleotide and/or amino acid sequence** disclosed in the international application, see Box No. I.

## 2. Certain claims were found unsearchable (See Box No. II).

## 3. Unity of invention is lacking (See Box No. III).

## 4. With regard to the **title**,

- [X] the text is approved as submitted by the applicant.
- [ ] the text has been established by this Authority to read as follows:

## 5. With regard to the **abstract**,

- [X] the text is approved as submitted by the applicant.
- [ ] the text has been established, according to Rule 38.2, by this Authority as it appears in Box No. IV. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority.

## 6. With regard to the **drawings**,

a. the figure of the **drawings** to be published with the abstract is Figure No. 5

   - [X] as suggested by the applicant.
   - [ ] as selected by this Authority, because the applicant failed to suggest a figure.
   - [ ] as selected by this Authority, because this figure better characterizes the invention.

b. [ ] none of the figures is to be published with the abstract.
## Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)

This international search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons:

1. X Claims Nos.: 1-13
   because they relate to subject matter not required to be searched by this Authority, namely:
   the subject matter listed in Rule 39 on which, under Article 17(2)(a)(i), an international search is not required to be carried out, including
   See Supplemental Box

2.  Claims Nos.:
   because they relate to parts of the international application that do not comply with the prescribed requirements to such an extent that no meaningful international search can be carried out, specifically:

3.  Claims Nos:
   because they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a)

## Observations where unity of invention is lacking (Continuation of item 3 of first sheet)

This International Searching Authority found multiple inventions in this international application, as follows:

1.  As all required additional search fees were timely paid by the applicant, this international search report covers all searchable claims.

2.  As all searchable claims could be searched without effort justifying additional fees, this Authority did not invite payment of additional fees.

3.  As only some of the required additional search fees were timely paid by the applicant, this international search report covers only those claims for which fees were paid, specifically claims Nos.:

4.  No required additional search fees were timely paid by the applicant. Consequently, this international search report is restricted to the invention first mentioned in the claims; it is covered by claims Nos.:

### Remark on Protest

- The additional search fees were accompanied by the applicant's protest and, where applicable, the payment of a protest fee.
- The additional search fees were accompanied by the applicant's protest but the applicable protest fee was not paid within the time limit specified in the invitation.
- No protest accompanied the payment of additional search fees.

Continuation of Box II

Claims 1-13 define subject matter which is not required to be searched under PCT Rule 39.1 (iii). Claims 1-13 are directed to a method of providing a buying incentive, wherein the buying incentive is used to determine the total cost to the customer while fulfilling the purchasing requirements of the purchase. The method is merely a business scheme which is not required to be searched under PCT Rule 39.1 (iii).
This Annex lists known patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.
