International application No. PCT/AU2004/123459	International filing date (day/month/year) 2 January 2004
Applicant MODULATORS AUSTRALIA PTY LTD et al.	

The applicant is hereby notified that this International Searching Authority has considered the request for rectification of obvious mistakes in the international application/in other documents submitted by the applicant to this Authority, and has decided:

1. a. to authorize the rectification:
- as requested by the applicant.
- to the extent set forth below*:
SEE SUPPLEMENTAL SHEET
- b. The rectification **will be or has been taken into account** for the purposes of the international search (Rule 43.6bis(a)).
- The rectification has not been taken into account because it was authorized by this Authority after this Authority has begun to draw up the international search report (Rule 43.6bis(b)).
2. to refuse to authorize the rectification or part of it for the following reasons*:
SEE SUPPLEMENTAL SHEET

A copy of this notification, together with a copy of the applicant's request for rectification, has been sent to the receiving Office and to the International Bureau.

* **If the authorization of the rectification has been refused in whole or in part**, the applicant may request the International Bureau, within two months from the date of the refusal and subject to the payment of a special fee, to publish the request for rectification and the reasons for refusal by this Authority and any further brief comments that may be submitted by the applicant together with the international application. See Rule 91.3(d) and, for the amount of the fee, see the *PCT Applicant's Guide*, Volume I, Annex B2(IB).

**NOTIFICATION OF DECISION CONCERNING
REQUEST FOR RECTIFICATION**

International Application No.

Supplemental Sheet

PCT/AU2004/123459

Continuation of item 1a:

The applicant is hereby notified that this International Searching Authority has considered the request for rectification of obvious mistakes in the international application/in other documents submitted by the applicant to this Authority, and has decided to authorize the rectification to the extent set forth below:

Replacement of page 3 to correct the spelling of "electromagnetic" (line 12) and "electrostatic" (line 13)

Continuation of item 2:

The applicant is hereby notified that this International Searching Authority has considered the request for rectification of obvious mistakes in the international application/in other documents submitted by the applicant to this Authority, and has decided to refuse to authorize the rectification or part of it for the following reasons:

Insertion of a new page 24 at the end of the description is refused since Rule 91.1(c) does not permit such a rectification under Rule 91
